Hatchetites Strike Stride and Play All Around Their Opponents.

## TEAM WORK TELLS TALE

Excellent Passing of Buff and Blue Players, Coupled with Accurate Shooting, Wins.

By NAT T. WORLEY.

George Washington scattered the grand old dope last night by handing the visiting Fordham basket-ball five a terrible drubbing at the National Guard Armory, score 34 to 24. Viewed from every angle, the Hatchetites had the high sign on their New York rivals and the final score does not commence to tell the tale of what happened. The rejuvenated Buff and Blue outfit gamboled about in its best form and exhibited some real team work. This tells the story, for the Fordhamites found it impossible to break up the magnificent offense of

the winners. Almon played in his old-time form and his showing was directly the reverse of what he did in the George town game. Out of ten free tosses he caged seven and had four goals from the floor to his credit. Murray also had a good night's work to great joy of the rooting section and besides tossing the leather in the basket from the floor five times, he flipped one in from a free toss.

PIFTH BACE Sching: four-year olds and up: six points than the Hatchetites, but the big lead the Buff and Blue obtained tain that wouldn't be moved.
